

Sailung Trek - 9 days

Trip Info

Trip Code: WHT/NT-02

Type: Trekking/Hiking

Sailung Trekking is the highest point of the trek which is located at an altitude of 3,146m. It is Non Tourist trekking area in Nepal which provides fantastic panoramic view of the Himalayan views including the Mt. Everest, Mt. Lhotse, Mt. Amadablam, Mt. Makalu, Rolwaling Himalaya range, Annapurna Himalayan range, Ganesh Himal etc. Sailung trek is only one trekking trail from where you will see 5 different Himalayan regions. This Trekking Trail is culturally rich where you will see the different cultures among of pahari people. Culture is interesting than other ethnic groups which you can explore in this trail. As this is non tourist trekking route of Nepal its only possible to make camping/tented trekking. As this is the peace, greenery area, autumn & spring is best suited time for trekking in Sailung. Wide lush of green forest, vegetation and rhododendrons of 5 different varieties of color flowers are the additional attractions of the area.

Sailung Trekking begins at Dolakha after 6-7 hours drive from Kathmandu. Sailung Trekking is to see the magnificent views of eastern part of Himalayas of Nepal and encounter with several different ethnic people and interesting experience about socio-economic situation, life style and their professions. Especially, people like this area very much who are interested to visit to the non-tourist area for the nature and culture both. Alpine Trav Treks and Expeditions are always ready to manage your treks as per your interests and requirements.
